

FOX POINT WEEKLY UPDATE (4/20/20 to 4/24/20)

Barnett Road/View Place Update:

- On April 20 and 21 – The contractor, Wood Sewer & Excavating, mobilized their equipment to the site. Wood will be beginning water main installation beginning at the intersection of Barnett Ln. and Lake Dr.
- On April 22 – Wood began water main installation
- On April 23 – Wood laid water main to about 400 feet north of the Barnett/Lake intersection and cleaned the site.
- Wood was not on-site Friday, April 24. They do not plan on working most Fridays.

A Look Forward: Week of April 27th

- Wood will continue water main construction beginning Monday. Wood will tie in at Lake Dr and Barnett Ln on Monday morning, then continue from where they left off on 4/23, continuing north.
- Wood may bring a second crew in to begin water main work on Acacia Road as early as Monday the 27th but may be later. Acacia will have about 350 feet of water main replacement and storm water utility work.
