Village of Fox Point Announces Cancellation; Closures Open House Cancelled; Pool Will Remain Closed

Fox Point, Wisconsin-May 8, 2020 — The Village of Fox Point today announced the cancellation and closure of two municipal opportunities due to the COVID pandemic.

Fox Point Open House

The annual Fox Point Open House, held annually on Santa Monica since 2015, has been cancelled. We hope to host the Open House again in 2021.

Fox Point Municipal Pool

This decision was made following nearly 2 months of review and multiple discussions with health experts, elected officials, North Shore Health Director and Department, Village of Fox Point Health Department member, League of Wisconsin Municipalities Mutual Insurance, Public Works employees and municipal staff.

This decision was made based not only on public health concerns, but on extreme logistical and operational difficulties given the restrictions the Pool could face even if we are allowed to open.
