

# FOX POINT WEEKLY UPDATE (5/25/20 to 5/29/20)

## Barnett, View, and Acacia Update:

- On May 25 – The contractor, Wood Sewer & Excavating, was not on site for Memorial Day
- On May 26 – Wood completed a water valve replacement and a water main tie in on Acacia and worked on a water service on Barnett
- On May 27 – Wood worked on water services on Barnett Lane north of View Place.
- On May 28 – Wood continued on water services on Barnett and began storm pipe installation near View, working south.
- On May 29 – Wood continued installing storm sewer and water services on Acacia and Barnett and cleaned the site for the weekend

## A Look Forward: Week of June 1st

- Wood will continue water services on Barnett Ln. next week
- Wood will continue storm pipe installation beginning near View Place. Sump pump and downspout discharges that extend to the ditch will be tied into the new storm pipe as it is installed.
