

# FOX POINT WEEKLY UPDATE (6/1/20 to 6/5/20)

## Barnett, View, and Acacia Update:

- On June 1 – The contractor, Wood Sewer & Excavating, worked on water service replacements on Barnett Lane and began storm sewer installation near View and Barnett, moving to the north
- On June 2 – Wood continued storm sewer installation and removed a portion of old concrete pipe buried under the roadway. Wood also replaced a cross culvert near the Lake and Barnett intersection
- On June 3 – Wood worked northward on Barnett installing storm sewer on the east side of the street
- On June 4 – Wood continued storm pipe installation, finishing near Green Tree and Barnett
- On June 5 – Wood was not on-site on Friday

## A Look Forward: Week of June 8th

- Wood will continue with a segment of storm pipe installation on View Place next week
- Wood may do some minor work on Acacia, however, We Energies will be moving a segment of gas main out of conflict with proposed utilities, so major work will have to wait until the gas is relocated
- Wood plans to replace two water services to the house on Thursday the 11th, weather permitting
