

FOX POINT WEEKLY UPDATE (6/8/20 to 6/12/20)

Barnett, View, and Acacia Update:

- On June 8 – The contractor, Wood Sewer & Excavating, installed storm sewer along View Place
- On June 9 – Wood did some minor repairs on water services that were installed on Barnett and removed driveway culverts
- On June 10 – Wood continued removing driveway culverts and made connections from private down spout and sump pump discharges to the new storm sewer pipes
- On June 11 – Wood worked on rough ditch grading as well as site cleanup. They also tended to a few final items from last year's project on Calumet Road
- On June 12 – Wood was not on-site on Friday

A Look Forward: Week of June 15th

- Wood will continue with a segment of storm pipe installation on View Place near Lake Drive next week, as well as installations on Green Tree Road and Barnett Lane.
- Wood will replace two lead water services on Monday; one service is on Acacia and one on Barnett
- The gas main work on Acacia is nearing completion, which will allow Wood to continue work on storm water infrastructure on Acacia. They plan to continue work there next week.
