

FOX POINT WEEKLY UPDATE (6/15/20 to 6/19/20)

Barnett, View, and Acacia Update:

- On June 15 – The contractor, Wood Sewer & Excavating, replaced two lead water services
- On June 16 – Wood installed storm sewer at View and Lake and at Green Tree and Barnett, also replacing an existing manhole
- On June 17 – Wood installed a concrete storm manhole at Lake and View and tied into the existing storm sewer running along Lake Drive.
- On June 18 – Wood moved equipment to Acacia and began digging the median area for a storm water bioretention area and small dry pond
- On June 19 – Wood was not on-site on Friday

A Look Forward: Week of June 22nd

- Wood plans on capping the existing water main on Monday at Lake and Barnett and at Green Tree and Barnett, which will result in some water shut-offs in the area. Residents will be notified for this shut off on Friday the 19th with a door hanger.
- Wood will also continue working on storm pipe installation and pond work at Acacia next week
