

GREENVALE WEEKLY UPDATE (7/12/21 to 7/16/21)

Greenville Improvements Updates:

- July 14th – All-Ways graded the bottom of the pond and shaped the slopes of the pond. Crew cut out the bottom of the pond to install stone for storm water storage and quality improvements.

A Look Forward: Week of July 19th

- All-Ways to return on Monday to finish installing storm sewer
- All-Ways will plant grass seed on the pond and will return to plant the rest of the plants as they become available
