

FOX POINT WEEKLY UPDATE (8/16/21 to 8/20/21)

Regent Road Project Updates:

- On August 16th – All-Ways performed bridge repairs on Santa Monica bridge and graded for road widening.
- On August 17th – All-Ways finished grading on Regent road and installed seals on sanitary manholes.
- On August 18th – Stark paved the first and second layers of asphalt on Goodrich Lane and the first layer of asphalt on Regent Road.
- On August 19th – Stark paved the driveways on Regent Road.
- On August 20th– All-Ways finished storm Sewer on Santa Monica and began constructing new storm pond on Acacia.
- On August 21st– All-Ways continued grading for road widening of Santa Monica.

A Look Forward: Week of August 23rd

- All-Ways will grade for paving on Santa Monica later in the week.
- Stark will pave the top layer of asphalt on Regent Road and courts on Tuesday August 24. Before contractor paves on Tuesday morning, a tar coat will be sprayed on the first layer of asphalt. Vehicles should be parked off site before 6:30 am on Tuesday morning to prevent driving on fresh tar.
- Stark will pave the first layer of asphalt on Santa Monica on Thursday.
