MILWAUKEE COUNTY

WISCONSIN

VILLAGE HALL

7200 N. SANTA MONICA BLVD.

FOX POINT WI 53217-3505

414-351-8900

FAX 414-351-8909

To: The Honorable Members of the Fox Point Village Board

From: Scott A. Botcher, Village Manager

Date: May 20, 2022

Re: **Administrative Report for the Week Ending May 20, 2022**

ADMINISTRATION

1. Assistant Manager attended WCMA Emerging Leader's Committee on May 17, 2022.
2. Staff facilitated the Building Board meeting on May 18, 2022.
3. Staff facilitated the Board of Review meeting on May 18, 2022
4. Assistant Manager attended website alignment redesign meeting with CivicPlus on May 18, 2022.
5. Assistant Manager attended north shore managers meeting on May 18, 2022.
6. Staff facilitated the Board of Appeals meeting on May 19, 2022.
7. Deputy Clerk attended MMCA meeting in Cudahy.
8. Village Manager participated in Public Sector Town Hall: Municipal Finance.
9. Village Manager attended the North Shore Water Commission meeting on Wednesday.
10. Staff began confirming vendors and community partners for the Open House.

DEPARTMENT OF PUBLIC WORKS

1. This week marked National Public Works Week and received a proclamation from Governor Evers recognizing public works professionals throughout the state.
2. Staff participated in a conference call with the water utility and DOT representatives regarding the Port Washington Road expansion in Glendale and the I-43 work. The purpose of the call was to discuss our water supply lines and how they may be impacted by the construction planned along the project route. Staff will discuss the matter with the Village Attorney as well.
3. Staff participated in a conference call with Kapur & Associates regarding the Lake Drive project. The DOT has agreed to take over the remaining design tasks associated with the bike lanes and traditional crosswalks (including all construction costs) in large part due to the preliminary research done by the Village and Kapur. Staff will be presenting the three-party agreement for approval at the June Village Board meeting along with 2 two-party agreements (one for water main work and one for additional drainage studies).
4. DPW staff have been busy with the following:
 - a. Completion of tree planting.

- b. Performing water main restorations (soft restorations – asphalt patches will occur at a later date).
 - c. Normal activities including yard waste, mowing and trimming.
 - d. Setting up and cleaning after pavilion rentals.
5. DPW staff erected the signs for the Fox Point Village Open House.
6. Staff in the shop have been busy with PM's on the backhoe loader, truck 20, and scooters.
7. Water utility staff finished the replacement of the hydrant on Holly Court and spoke with representatives of We Energies as a gas main was hit (later determined to be an abandoned main) during the work, replaced a water meter at a property on Lombardy, monitored the patch performed on the path on Port Washington Road near the retention basin as it has settled considerably, and reviewed the DOT I-43 documents for any potential conflicts with our infrastructure.

POLICE DEPARTMENT

1. Staff presented the annual report and provided an update on the state of the Department to the board of Police Commissioners.
2. Officers investigated a report of criminal damage to property after a resident reported that an unknown person damaged the mailbox and post. The officer canvassed the area for video surveillance evidence.
3. Officers provided assistance to a resident that is receiving harassing messages through social media. The officer assisted the resident with methods to block the sender and advised them to avoid contact since this has not escalated to the level of a crime.
4. Officers responded with North Shore Fire Rescue for a possible overdose after a subject consumed large quantities of prescription medication. The subject was transported to the hospital for evaluation and was subsequently placed in protective custody by the officer pending a mental health evaluation.
5. Officers responded to a roll-over motor vehicle crash after a vehicle left the roadway and struck a tree. The driver was extricated from the vehicle by North Shore Fire Rescue and transported to the hospital for evaluation and treatment. The officers documented the accident and completed an investigation for relevant traffic violations.
6. Officers responded to a report of a fight that was not in progress. The officer determined that a verbal argument between three people had escalated and become physical when two parties punched a third subject in the face. The aggressors left the scene prior to the call being placed to the police. The officer's investigation led to the arrest of all three parties. Citations were issued for disorderly conduct and battery.
7. Officers responded to assist Brown Deer police with scene security and safety after an officer attempted to arrest a person at Brown Deer Lanes who resisted arrest and a crowd started to form around the incident.
8. Officer Wiesmueller completed safety training for the students at Stormonth Elementary that included age-appropriate material on proper bicycle riding, pedestrian safety, and requesting emergency services through 911.
9. Officers responded to mediate a dispute after a tow truck driver removed a vehicle for repossession. The tow company removed the wrong vehicle after the resident had moved

the license plates to another similar vehicle and concealed the VIN number to the vehicle. The officer provided assistance to all parties involved and counseled the vehicle owner regarding the registration violations.

10. Officers responded to several solicitor complaints regarding unregistered solicitors.

Residents are reminded that they can ask to see the village issued permit for all solicitors and may post a no soliciting sign if they do not wish to be contacted. Solicitors can be fined for violating our ordinance and permit holders may be denied a future permit or have the current permit revoked.

NORTH SHORE FIRE DEPARTMENT

Thank you to the Brown Deer Junior Woman's Club for their donation of \$500 to assist in purchasing of pediatric EMS supplies. Chief Whitaker accepted the donation at the Village of Brown Deer Board Meeting on Monday evening. The Club has annually supported the Department with donations.

The City of Mequon and Village of Thiensville have both approved a fire department consolidation agreement effective January 1, 2023. Congratulations to our neighbors to the north on seeing the value of joint fire departments from both a service and fiscal perspective.

Nine new Firefighter/EMT recruits are finishing their third week of training.

The Department, in cooperation with the North Shore Health Department and Bayside Communications Center hosted a Newly Elected Officials Orientation on Thursday evening. The one-hour session provided information on each of the agencies, their governance structure and operations. The event was recorded and is available for other elected officials who may not have been able to attend. Please contact Chief Whitaker if you are interested in viewing the recording.

NORTH SHORE HEALTH DEPARTMENT

NSHD Healthy Highlight 5/18/22: Mental Health Awareness Month

May is Mental Health Awareness Month.

Community Advocates has a great [Mental Health and Wellness Resource Guide](#). It is a directory of resources for behavioral health, treatment, support groups and more for Milwaukee County residents that was updated March 2022.

Learn more about mental health and resources available in Wisconsin:

www.dhs.wisconsin.gov/mh

Older Americans Month – *Aging in Place*

Data from a 2021 study from AARP shows that 77% of adults over 50 would prefer to grow older in their current home rather than move to an assisted living or long-term care facility. This

is known as “aging in place.” Older adults who age in place are happier and more independent. They also remain more socially engaged in their communities because they have access to the resources and social networks of their choice. If you’re one of the 77% of people who want to age in place, you can find resources for programs and services available in Wisconsin to help you. Visit dhs.wisconsin.gov/aging to get started.

IMMUNIZATIONS (APPOINTMENT REQUIRED):

We provide vaccinations for individuals who are underinsured or uninsured, including infant and child routine immunizations and those required for school.

Please call 414-371-2980 to find out what vaccines we have available and to make an appointment:

Shorewood Office

4th Wednesday of the month • 7:30-9am

If these days/times do not work for you, we will do our best to accommodate you at another time.

**UPCOMING BLOOD PRESSURE SCREENING
(WALK-IN – NO APPOINTMENT):**

- **NSHD Shorewood Office:** 2010 E Shorewood Blvd. 4th Wednesday of the month from 3:30 p.m. to 4:30 p.m.
- **Lois & Tom Dolan Community Center:** 4355 W. Bradley Rd, Brown Deer. 1st Wednesday of the month from 12:30 p.m. - 1:15 p.m. **Wednesday, June 1** is the next blood pressure clinic at Dolan Community Center. There is no clinic in July or August. They will resume in the fall: Sep 7, Oct 5, Nov 2, Dec 7.

Please visit our website for up-to-date information about BP Screenings: www.nshealthdept.org/Clinics

Tuesday, May 31st from 9am-11am in Brown Deer

Please call 414-371-2980 to schedule an appointment.

We highly recommend Health Connections if you need a COVID-19 booster. They have a tent set up in Lincoln Park **through May 21** and have plenty of availability. No appointment necessary.

COVID-19: Testing Support for Camps

Wisconsin DHS is pleased to support COVID-19 testing in recreational, educational, and day camps. Free and convenient COVID-19 testing services are available for camps:

- COVID-19 testing is free of charge. COVID-19 testing supplies, specimen transport, diagnostics & reporting are available to camps.

- COVID-19 testing is safe and accurate. Camps can choose to offer laboratory-based testing or point-of-care antigen tests for their campers and staff/volunteers. Both provide reliable results.
